Dear Parents/Guardians

2026 STATIONERY AND TEXTBOOK REQUIREMENTS

In preparation for the 2026 academic year, a list of textbooks and stationery requirements has been compiled. Teaching will commence on the first day of term and, in order for your child to take full advantage of the academic programme offered by the school, it is essential that he/she has all the necessary materials.

Learners have the option of using electronic devices such as e-readers or tablets on which they may store and access electronic versions of their textbooks. The onus is on the parents to access and download the e-textbooks. Please note that some textbooks are available on both Apple and Android devices, while others are only available for use on Apple devices.

There are no prescribed requirements regarding which tablet is preferable but we recommend a device that complies with the following specifications:

- 10-inch screen (colour) with 800x480 screen resolution
- 8 hour battery life
- 8GB on-board memory
- 3G connectivity (a data package will be required to access the internet to download e-textbooks)
- Able to open pdf files

It is also advisable to invest in a good cover and screen protector.

The school will take no responsibility for damage to, or loss of electronic devices that are brought to school. Learners will need to ensure that their devices are fully charged before coming to school as they will not be able to re-charge them during the school day. Any misuse of the device, i.e. using it for non-educational purposes or for purposes not specifically authorised by the teachers will constitute misconduct and will result in the device being confiscated and disciplinary action being taken.

Parents who want to sell or buy second-hand textbooks need to contact **FERNDALE BOOKS** but be aware that there are never a large number of second-hand textbooks available for the following year and the sooner purchases are made, the better.

In some grades, there are a number of textbooks and/or prescribed readers that are issued on loan by the school. Separate letters detailing the retrieval of the 2025 books and the issuing of 2026 books will be sent out in due course.

Stationery packs may be purchased at Student's Schoolwear and Sport at Trinity Village Shopping Centre for parents who would like to use this facility.

You are urged to make the necessary arrangements to purchase whatever items are required by your child prior to the beginning of the new school year.

Yours sincerely

A WILKE
